Before the court is *qui tam* relator Mark Christopher Tracy's ("Plaintiff") motion for leave to file the sealed second amended complaint, and two motions to strike the sealed second amended complaint.

A complaint brought by a private person under the False Claims Act "shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders." 31 U.S.C. § 3730(b)(2). leave to file the second amended complaint is premature. Similarly, defendants' motion to strike the

sealed second amended complaint is premature.

Upon completion of the statutory period and requirements, Plaintiff may bring a motion to unseal the complaint and for leave to file the unsealed second amended complaint, and parties opposing amendment may file an opposition at that time. Depending on the outcome of the motion, the court may rule on the pending motions to dismiss the first amended complaint or determine that

those motions are moot.
